Dear Parents,

Greetings from Carmel Convent Sr. Sec School, BHEL, Bhopal.

With God's blessings and whole hearted cooperation of the entire Carmel family, the academic year 2021-22 reaches to its successful closure in spite of the challenges posed by the Covid pandemic. The enthusiasm and commitment of our teachers found new ways and means to ensure academic and co-scholastic excellence. I express my passionate appreciation towards them. Online platform has opened up new vistas of national and regional seminars and training sessions for teachers and students, and our school took maximum benefit out of it. The zeal for holistic development of students found no confines though no much physical classes were organised. Co-curricular activities, various competitions and celebrations were part and parcel of the academic year. Some of our students carved new national and international records in the School annals, and many manifested their multifaceted excellence through online platforms. I congratulate each them who endorsed the glory of the institution.

I take this opportunity to express my heartfelt gratefulness towards the former administrative team headed by Mother Pavithra who paved straight and smooth take-off strip for the new administrative team who took over the responsibility towards the end of October 2021.
