Essay Competition Report

An essay competition was organised on Wednesday, August 14, 2024 for the students of classes 6 to 12 on the topic "Mission Chandrayaan and Future of Space Science in India".

The competition saw enthusiastic participation from students who had been selected in advance. They submitted their essays and presented their thoughts on the significance of the Chandrayaan mission and its implications for the future of space science in India.

The participants showcased their writing skills and knowledge on the subject while demonstrating their creativity, critical thinking, and research skills. It was a great opportunity for students to learn and express themselves on a topic that has garnered national attention and pride.
