

# **CARMEL CONVENT SR. SECONDARY SCHOOL, BHEL**

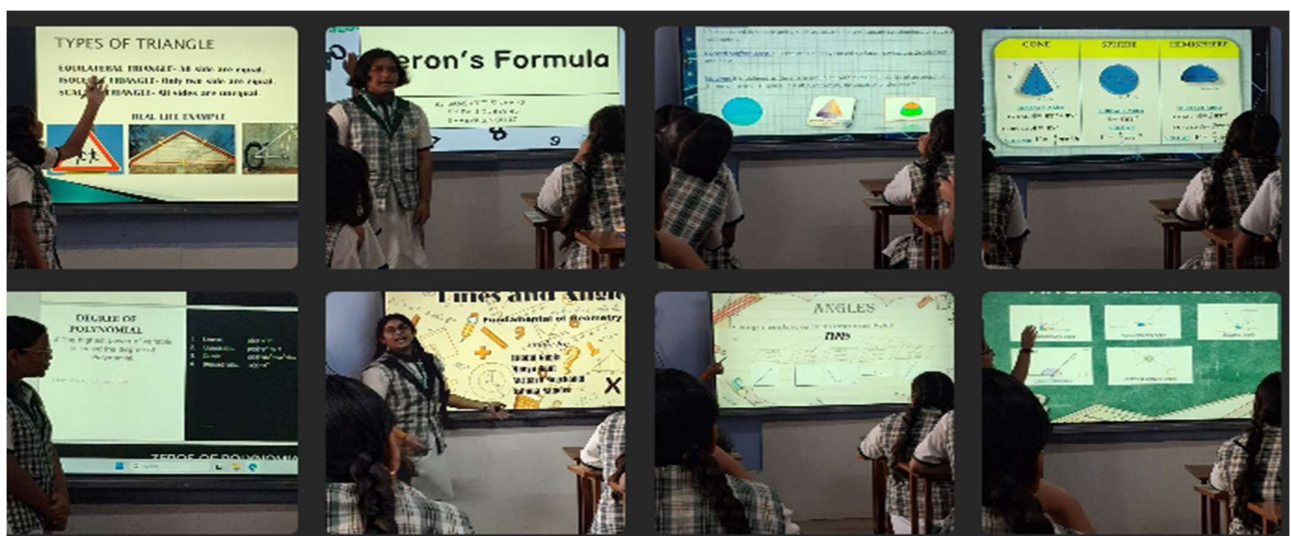

## **MATHS CLUB ACTIVITY REPORT 2024-25**

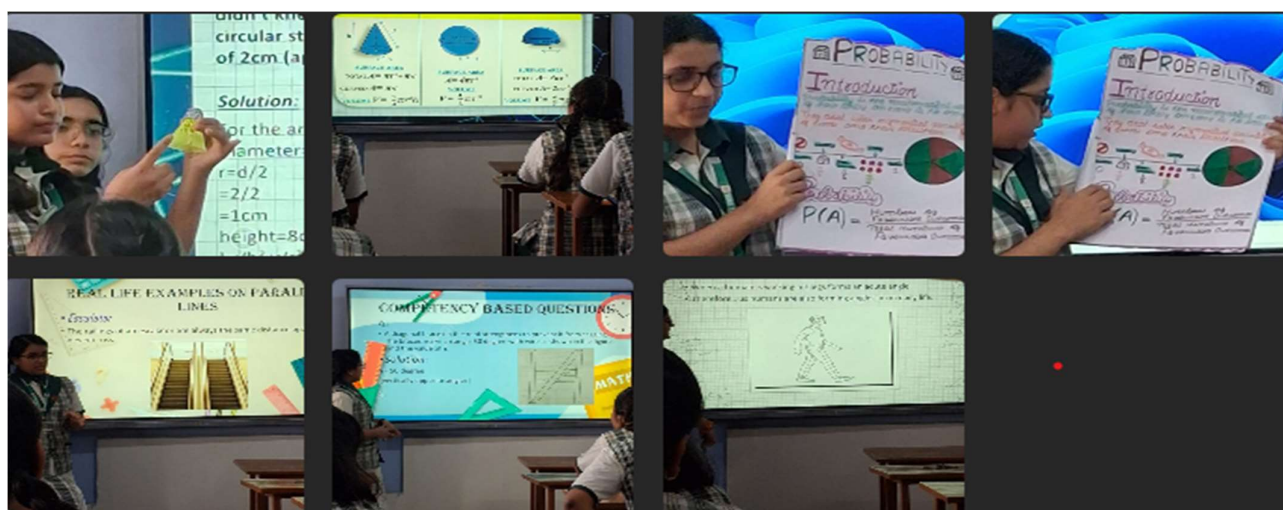

Name of Activity : Maths PPT Presentation  
Name of Club : Maths Club  
Activity Incharges : Ms. Sarada Iyer & Ms. Arshdeep Kaur  
Activity Date : 25 October 2024 onwards  
Class : IXth  
Activity Location : Classrooms  
Time/Period : Maths period

Maths can be fun when approached through interactive and creative activities. PowerPoint presentations can transform math topics into engaging and interactive experiences, making it fun and accessible for students. By introducing visually appealing graphics and animations, math concepts come alive. Incorporating real-world examples, videos, and images makes mathematics relevant and relatable. Students created their own presentations unleashing their creativity to explain math concepts, fostering confidence and teamwork. Students actively engaged and showed their enthusiasm making maths a dynamic and an enjoyable subject with collaborative experiences

### **Take-away from the Activity :**

- a) Instilled a better understanding of mathematical concepts and applications in daily life
- b) Enriched visual understanding and incorporated teamwork
- c) Holds potential to sharpen the thinking and problem solving skills of the students.

Regards

Sarada Iyer  
Arshdeep Kaur
